About Rebuilding Together Tampa Bay

RTTB's mission is "repairing homes, revitalizing communities, rebuilding lives." We achieve this by providing members of our shared communities with imperative home repairs, housing, education, and other forms of assistance free of cost, bringing their homes to not just a habitable state but one that is safe and healthy and that they and their families can thrive in.

RTTB addresses critical issues such as leaking roofs, problematic ducts aggravating asthma symptoms in children, and installing safety features like grab bars for elderly residents. We also construct new homes, providing homeownership opportunities to those who may have never deemed it possible. Following Hurricane Ian, RTTB was designated the lead affiliate for statewide response and recovery efforts, extending our service area to heavily impacted communities in Southwest and Central Florida, where we assist the most vulnerable in repairing and rebuilding.
